Volunteers Sought for Pro and Con Committees Concerning Ballot Measure for Change of Government

Pro and Con Committee members are needed to develop statements for the Local Voters' Pamphlet regarding the **Change in Form of Government Ballot Measure**. As a result of a petition validated by Snohomish County, this ballot measure is being placed before the voters on the November 8 General Election. This measure will ask voters if the City should adopt the mayor/council form of government and abandon the current council/manager form of government. The Pro Committee will write statements in support of the measure and the Con Committee will write statements in opposition to the measure. Each committee will be composed of three members who are residents of the City of Snohomish but may use others as resources as desired.

If you are interested in serving on either the Pro or Con Committee for this ballot measure, please contact Pat Adams, City Clerk, at adams@snohomishWA.gov or (360) 282-3155 by 9:00 a.m. Thursday, July 28.

Weekly Newsletter

Outdoor Movies @ Pilchuck Park Continue

Thursday, July 21, we will be showing the movie *Finding Nemo* at Pilchuck Park (169 Cypress Avenue). The movie starts at dusk which is around 8:45-9:00 p.m. Come early and enjoy a picnic in the park! Bring your own chairs and blankets.

The following weeks movies are: Thursday, July 28 – *Zootopia*. On Saturday, August 6 the feature will be *The Rugrats Movie*, along with the world premiere of the animated stories created by the Snohomish School District Summer Academy students using Wonder Media's Story Maker. The evening will be hosted by special guest, Terry Thoren who was the producer of *The Rugrats Movie* and three other successful animated features. Terry is now the CEO of Wonder Media and the creator of Wonder Media Story Maker.

UPCOMING CONSTRUCTION

SOUTH ZONE RESERVOIR PRESSURE REDUCING VALVE PROJECT

PROJECT OVERVIEW

The City of Snohomish will be installing a pressure reducing valve at it's South Zone Reservoir located at 13th Street and Pine Avenue. Construction is anticipated to occur in July-August with mobilization occurring at the reservoir site this week.

Work in the right-of-way for this project consists of removal of one tree adjacent to the south zone reservoir fence line and connection to an existing water main at the intersection of 13th Street and Pine Avenue. The remainder of the work will occur within the South Zone Reservoir property limits. Please see the diagram below for an overview of the construction area and project limits.

Construction Noise

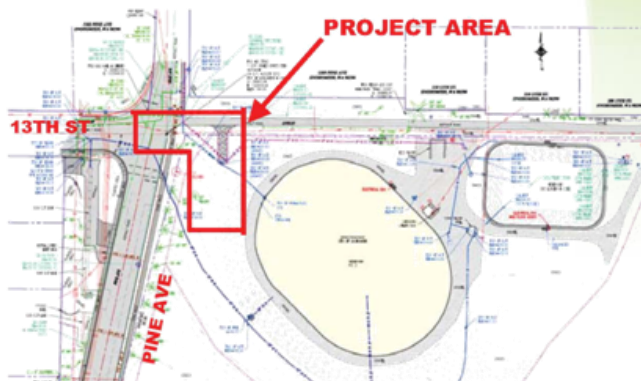

This project will generate construction noise in this area Monday through Friday during the contractor's working hours of 7AM - 7PM.

Temporary Access Delays

Traffic will be delayed at times at the intersection of 13th Street and Pine Avenue during the connection to the existing water main. The intersection will be controlled with signage and flaggers with one lane of traffic open. Additionally, approximately 200 feet of the sidewalk on the east side of Pine Avenue from 13th Street will be temporarily closed to pedestrian traffic during the water main connection work. Pedestrians will need to use the west sidewalk along Pine Avenue at this location.

We will make every effort to minimize these disturbances however, please anticipate these traffic delays during construction and plan accordingly. We apologize in advance for any inconvenience you may experience.

THANK YOU in advance for your patience and cooperation with the upcoming construction project. Should you have any questions or concerns about the project please do not hesitate to contact Tim Cross or Max Selin.

Highlighted Land Use Applications in Process

The applications listed below are currently pending or under review. During the comment period associated with a development proposal, interested parties may submit comments for the project record. For additional information on any of these projects, the project file may be reviewed at City Hall during normal business hours. Staff is also available to respond to questions at the contact information below.

Riverview South Preliminary Plat (14-lot Planned Residential Development): 2210 Second Street

File #05-16-PP

Pending complete application determination.

Public comment period to follow complete application determination, under separate notice. A public hearing before the Hearing Examiner will be scheduled following environmental (SEPA) review.

More information: Brooke Eidem, Associate Planner, (360) 282-3167, eidem@snohomishWA.gov

Cady Landing Pedestrian Bridge: 40 Maple Avenue

File #06-16-SEPA

Pending SEPA Threshold Determination.

More information: Brooke Eidem, Associate Planner, (360) 282-3167, eidem@snohomishWA.gov

Bickford Landing Comprehensive Plan Amendment: 2424 and 2501 Bickford Avenue

The request is for a Land Use Map amendment from Business Park to High Density Residential. Comprehensive Plan amendments are an annual legislative process and decision of the City Council following "nonproject" environmental review and a recommendation by the Planning Commission. Opportunities for public comment will be provided through the environmental review, Planning Commission, and City Council processes.

File #08-16-SEPA

Pending environmental review.

More information: Brooke Eidem, Associate Planner, (360) 282-3167, eidem@snohomishWA.gov

For a complete list of all land use and development projects currently in review, please visit the City's website.
